Subject: Meeting for Teachers of Physics

Heads of School are kindly requested to bring the attached information from the MatSec Support Unit to the attention of all teachers of Physics.

Raymond J. Camilleri
Director, Curriculum Management

29th January 2008

To: All Teachers of Physics in State and Non-State Schools

The SEC Physics syllabus panel has prepared a draft syllabus for 2011 onwards and would like to discuss it with Physics teachers before it is finalized. For this reason, the panel is calling a meeting for all Physics teachers in state and non-state schools. The date of the meeting is **Thursday 14th February 2008 from 13.00 to 15.00 hours at the Robert Samut Hall, Floriana.**

The panel consists of subject coordinators, teachers from state and private schools and Faculty staff from the University. I feel sure that the meeting will be beneficial to all concerned.

Prof Frank Ventura

Chairman

MATSEC Examinations Board
